

Congratulations on your decision to have your purchasing capabilities and experience internationally and formally recognised with the ISM's Certified Purchasing Manager™.

The Certified Purchasing Manager™ designation is certainly one of the first steps to being recognized as the best in your field whilst showing your commitment to continuous improvement to both yourself and to your profession.

Do you know some of the best purchasing professionals in Australia earn upwards of \$350K a year?

The staff at \$AVE.IT are passionate about our purchasing profession in Australia and are here to guide anyone who shares the passion and dedication to our exciting vocation to reach the highest heights our profession has to offer.

Gaining and keeping the certification is not a decision to take lightly, but once you have decided \$AVE.IT will guide you through the certification process and beyond.

Steps to certification

1. Register

- a. Register your interest with in \$AVE.IT to join over 40,000 C.P.M.'s worldwide.
- b. Attend information nights where available

2. Prepare

- a. Purchase the study materials available.
- b. Attend the \$AVE.IT C.P.M. exam preparation workshops.

Our preparation workshops are designed around the contemporary constraints faced by Australian purchasing professionals, giving you the best chance at successfully obtaining certification.

3. Assess

- a. Sit the exams (1 exam per module)
- b. Pass the exams (Exam results are valid for up to 4 years.)

4. Certify

- a. Check if you meet the certification criteria – either A or B
- b. Submit Application for certification.

Certification criteria

- A. Document 5 years of full time professional (non clerical, non support) supply management experience
- B. Have a bachelors degree from an accredited university and three years full time professional supply management experience
